

Parents Feedback on Course

Introduction: The objective of the parents' feedback is to make the working of the college more effective. It also examines the parents' views on overall development of their wards and dealing with the students, admission process, infrastructural facilities, security and safety of girls, and overall atmosphere of the institute. The target sample of this feedback form are parents of different cultural and economic backgrounds and regions. Online feedback form has been sent to parents and following responses have been received. The results are depicted through self-explanatory pie charts.
