

Value Added Courses

About the Course

Value added courses are the types of courses which help a particular individual to develop their own skills in their chosen field of the study. They are mostly independent to each type of the fields. GHG Harparkash College of Education for Women, Sidhwan Khurd, Ludhiana offering two value added courses since 2021 i.e. Digital Literacy and Communication Skills. The students have the option to choose the courses according to their desires and inclinations as they choose the desired items in cafeteria. From the expertise our students gain knowledge through the value-added courses, which will enable them to face the formidable challenges of the future.

Course Learning Outcomes

The main objectives of the Value-added courses are:

- To provide students an understanding of the expectations of education industry.
- To improve employability skills of students of GHGHCED.
- To bridge the skill gaps and make students industry ready.
- To equip the students to enhance their skills and add value to the existing curriculum.
