

## Value Added Course

Value added courses are the types of courses which help a particular individual to develop their own skills in their chosen field of the study. They are mostly independent to each type of the fields. GHG Harparkash College of Education for Women, Sidhwan Khurd, Ludhiana offered six value added courses in the year 2022-23 i.e. Self-Management, Open Educational Resources, Career Counselling Skills, and ICT Tools for Teaching and Learning, Digital Literacy, Communication Skills.

The students have the option to choose the courses according to their desires and inclinations. From the experts our students gain knowledge through the value-added courses, which will enable them to face the formidable challenges of the future. Around 38 students have been benefited in the session 2022-2023.

### **COURSE LEARNING OUTCOMES**

The course learning outcomes of the Value-added courses are:

- Students will be able to develop an understanding of the expectations of industry.
- To improve employability skills of students of GHGHCED.
- To bridge the skill gaps and make students industry ready.
- To equip the students to enhance their skills and add value to the existing curriculum.

**Report of Value-Added Course on Open Educational Resources**

GHG Harparkash College of Education for Women, Sidhwan Khurd, Ludhiana offered value-added courses from 16-12-2022 to 30-12-2022. on Open Educational Resources. Dr. Shally, Associate Professor GHG Harparkash College of Education for Women, was the **coordinator** of the course.

On the first day of this course, students are made aware about the concept of OER's and its types. Students were introduced to these concepts through ppt presentation. The resource person of the day was Dr Gurwinder Singh, Astt Prof of the college.

On the second day of this course, the students were oriented about OER Repositories. And Searching OER. Mrs Pushpinder Kaur, Librarian of the college was resource person of the sessions. This was followed by questioning and interactions session.

On the third day of this course, the session of creating and publishing OER's was handled by the resource person of the day Mrs Manpreet Kaur, Assistant Prof of the college.

On the fourth day of this course, students were exposed to the legal perspectives of OER in the light of Creative Commons Licensing. Both the sessions were handled by Dr Ajay Pathania, Astt Prof of the college.

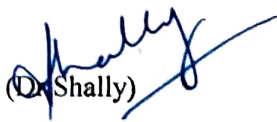

On the fifth day students were made aware about "OER and Indian Government Initiatives" as well as "OER and Higher Education context". The resource person of the day was Dr Shally.

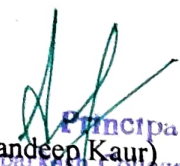

On the sixth day, in the first session “OER and School Education” and in the second session “OER and Teacher Education” were elaborated by the resource person of the day Dr Gurwinder Singh.

On the seventh day, students were oriented about “OER and Quality Concerns” and “Challenges in using OER” by Mrs Manpreet Kaur.

On eight-day students were made aware about “Integrating Open Education Resources in Teaching” and “Emerging Trends in OER”. Dr Manjeet Kaur, Associate professor of the college was the resource person of the day.

On ninth day Tools of Creating OER were discussed and in the second session a practical experience through Vidma Video Editing was given by Dr Geeta Kundi, Astt Prof of the college. On tenth day of the course both the sessions were focused on practical experiences for creating OER. For this purpose demonstration of Microsoft Mix Software and In-shot video maker and editing app was given. The resource persons were Dr Shally and Mrs Manpreet Kaur respectively.
