Sidhwan Khurd, Ludhiana

Report of Skill Development Program: Fashion Designing

Introduction:

With a small step taken towards making women self-employed, a 6 weeks Training programme were planned by G.H.G. Harparkash College of education for women, Sidhwan Khurd in association with Khalsa College for Women, Sidhwan Khurd, Ludhiana for the rural girls / women in and around Sidhwan Khurd, Ludhiana under the Community Outreach activity. The Skill Development Program in Fashion Designing was initiated to nurture and develop the creative and technical skills of aspiring fashion designers. This program was meticulously crafted to provide participants with a holistic understanding of fashion design, from foundational concepts to advanced techniques, ensuring they are well-prepared to enter the competitive fashion industry. The trainees were allocated with the individual sewing machine and other sewing and pattern making tools were provided to them throughout the training program. A total of 30 females attended the program, where they learnt about the various activity involved in the garment manufacturing process. The Skill development program is inaugurated on 16th February 2024 by Dr. Amandeep Kaur.

Program Overview:

- **Registration:** 15 Feb, 2024
- **Resource Person:** Mrs. Harjeet Kaur
- **Duration:** 6 weeks (Feb 16–March 31, 2024)
- **Participants:** 30 individuals with diverse backgrounds and varying levels of prior experience in fashion.
- **Venue:** Fashion Designing Lab, Khalsa College for Women
- **Objective:** To impart comprehensive knowledge and practical skills in fashion designing, fostering creativity, technical proficiency and industry readiness.

Curriculum Details:

1. Week 1-2: Design Principles

- **Elements of Design:** Line, shape, form, space, colour, and texture.
- **Colour Theory:** Colour wheel, harmony, contrast, and the psychological impact of colours.
- **Fashion Illustration:** Techniques for sketching fashion figures and designs.

2. Week 3: Textile Knowledge

- **Fabric Types:** Characteristics, uses, and handling of various fabrics.

- **Fabric Selection:** Criteria for choosing appropriate fabrics for different designs.

3. Week 4: Pattern Making and Draping

- **Basic Techniques:** Introduction to pattern making and draping on mannequins.
- **Advanced Techniques:** Complex patterns and draping methods for intricate designs.

4. Week 5-6: Garment Construction

- **Sewing Techniques:** Basic and advanced sewing methods.
- **Garment Assembly:** Step-by-step construction of garments, including finishing touches.

Learning Outcomes: Participants exhibited substantial growth in:

- **Creative Skills:** Enhanced ability to conceptualize original designs and sketch them effectively.
- **Technical Skills:** Proficiency in pattern making, draping, and garment construction.

Key Achievements:

- **Final Project:** Each participant designed and created a mini collection (3-5 pieces).

Feedback and Evaluation:

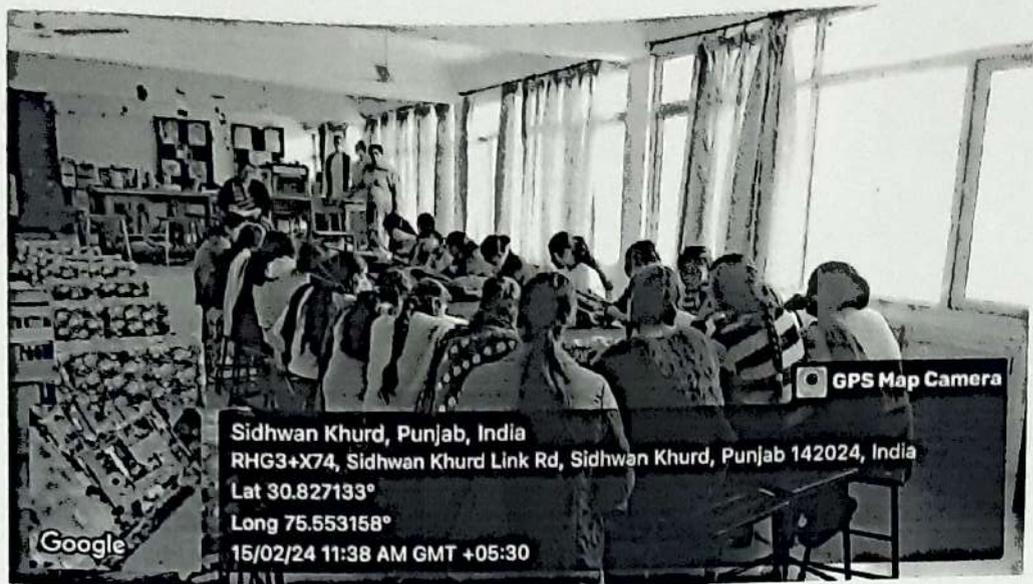

- **Positive Feedback:** Participants praised the program's structure, hands-on workshops and the opportunity to learn from experienced instructor.
- **Constructive Criticism:** Suggestions included the addition of more advanced courses, longer program duration and more focus on sustainable fashion practices.

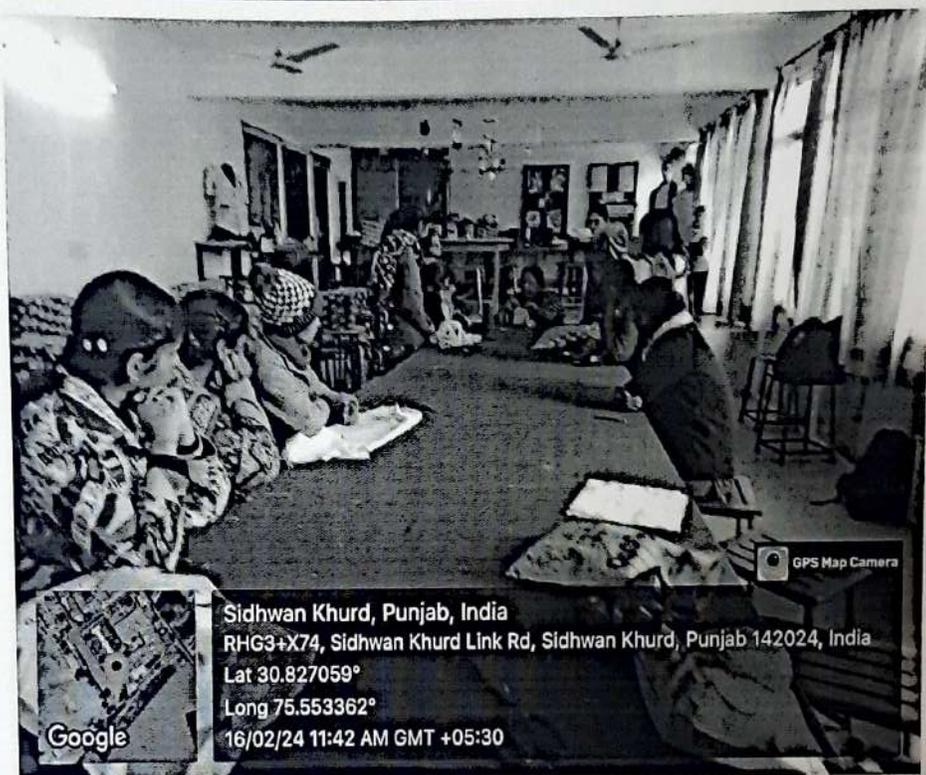

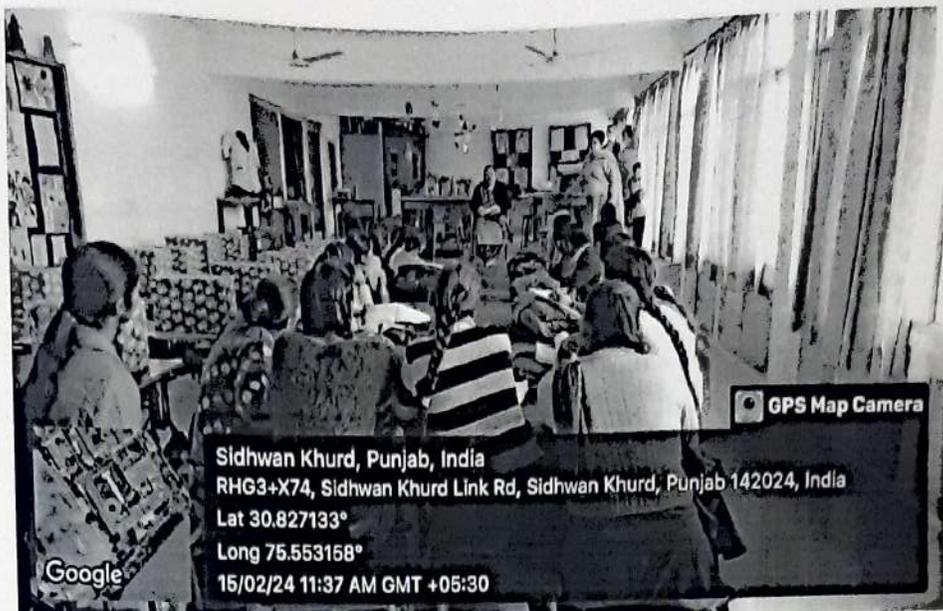

Challenges and Solutions:

- **Time Management:** Balancing comprehensive modules within 6 weeks was challenging. Future programs may consider extending the duration.
- **Resource Availability:** Ensuring adequate resources (fabrics, sewing machines) for all participants.

Conclusion:

The Skill Development Program in Fashion Designing successfully provided participants with essential skills and knowledge, preparing them for careers in the fashion industry. The positive outcomes, including successful final project highlight the program's effectiveness. Future iterations will aim to include more advanced modules and extended durations to further enhance the learning experience.
